OUR STORY

With over 70+ years experience serving industrial leaders, Platt & LaBonia Company LLC is proud to offer our CRAFTLINE® Storage Systems providing quality modular storage products and tool boxes. CRAFTLINE® Storage Systems provide innovative storage solutions for industrial plants, professional mechanics, craftsmen, hobbyists, and DIY enthusiasts.

CRAFTLINE® Storage Systems are based on three primary organizational units: Service Racks, Bin Cabinets and Storage Cabinets. Constructed with stacking holes, coordinating bases and a standard unit dimension of 20½"W x 12½"D x 15"H, CRAFTLINE'S® modular series allows you to create a custom workstation ideal for your specific application.

The modular series can be enhanced by coordinating CRAFTLINE® drawer systems, bin cabinets, utility cabinets and toolboxes.

CRAFTLINE® products are manufactured with heavy gauge steel, high-impact polymers and durable powder coated paint finishes, engineered to withstand rugged everyday use.

CRAFTLINE'S® innovative storage products are the answer to your organizational needs.

SLIDE RACK CABINET

Slide rack cabinets are designed to hold large standard duty, heavy-duty or plastic compartment tray boxes. Cabinets are 12½" deep and can be used with most modular products. Heavy-duty slide racks are equipped with ball bearing drawer slides and can support 100 lbs. per drawer. All cabinets have solid steel drawer bottoms for extra support and stability. Top and bottom mounting holes for stacking, hardware included. Heavy-duty ball bearing drawer slides for a smooth and quiet slide. Drawers extend fully to allow compartment boxes to be opened fully while in cradles. Boxes can be easily removed for transport to work areas. Drawers snap in closed position. Locking arms available to secure contents.

COMPARTMENT BOXES

Keep all your small parts together with Craftline®'s durable steel storage trays. They are the perfect shop storage container. Store small parts, fasteners, connectors, fittings or just about anything in the plastic scoop compartments. The steel outer shell is made from prime cold rolled steel. Full length heavy duty piano hinge provides rigidity and worry free service. The center mounted pull down catch keeps cover tightly closed as well as preventing part migration and the carry handle with thumb grip allows for comfort and easy transport. Available in 5 different compartment tray configurations and can be used in all Craftline® Service Tray Storage Racks. Label sheet included in each box to note tray contents and compartment location. Individually cake boxed, fill, address and ship.

Compartment boxes can be stored in slide rack cabinets. See page 4 for options.

Finished in a durable Gray powder coat
